

## Draft Payment Plan

This plan allows CCWA to automatically draft your monthly bill from your bank, credit union, or savings and loan.

You will still receive a monthly bill. The draft will occur on the first Wednesday after ten days from the bill date. If you choose this service a message confirming your decision, will be placed on the first bill you receive after you sign up. However the first bill will not be deducted through the Draft Plan. You will need to pay this bill as you normally would. Your draft plan will be in effect with your second bill.

Complete this draft payment plan enrollment form and return it with your bill payment or mail it to us. Please sign this form and enclose a voided check from your banking institution.
