Due to the current COVID-19 pandemic, the Clayton County Water Authority (CCWA) is currently closed for public bid/proposal openings; however, we are still working to serve our community, while following State and Local mandates, as well as taking all necessary precautions to stay safe and healthy during this crisis. For this reason, CCWA has issued the following bid/proposal drop-off and bid/proposal opening instructions:

PROPOSAL DROP-OFF for Proposal Opening Day, Tuesday, September 22, 2020:

Sealed proposals may be dropped off at our main office with the receptionist, located at 1600 Battle Creek Road, Morrow, GA 30260, on or before Tuesday, September 22, 2020 at 2:00 p.m. (local time). Any and all proposals received after this date and time will be considered unresponsive.

Masks are strictly enforced. Therefore, you must wear a mask if you will be dropping off your sealed proposal at our main office with the receptionist.

As an option, you may also drop your proposal package off at CCWA, Building B, located at 7340 Southlake Parkway, Morrow, GA 30260 (Building B-Warehouse which is on same campus as the main office). See attached map. When using this location, please keep in mind to press the gate call button to allow entrance. Do not follow the car in front of you to get through the gate, as the gate closes after each car. The gate call button looks like follows:

Once you hit the call button, please respond to the CCWA warehouse staff member with your name, company name and that you are dropping off your proposal. CCWA staff will activate the gate to open and you can proceed to the Building B - Warehouse to hand your proposal submittal package to a CCWA warehouse staff member.

Masks are strictly enforced. Therefore, you must wear a mask if you will be dropping off your sealed proposal at our Building B Warehouse.
