CLAYTON COUNTY WATER AUTHORITY'S SHAMROCK COMMUNITY USE BUILDING

(CUB) is our most popular venue for weddings due to its beauty, adaptability, and affordability. Nestled between our Blalock and Shamrock Reservoirs, you can plan a wedding that feels miles away yet is close to home.

Shamrock CUB offers a blank canvas that you can transform for your dream wedding. The great room features high ceilings with wooden beams, a large stone fireplace and multiple access points to wrap around decks. A loft area with an adjoining bridal suite overlooks the great room. The finished basement provides additional space for bridal parties, dining or dancing.

Once you step outside the building, you and your guests can enjoy the wrap around decks with two covered porches that offer picturesque views of the surrounding reservoirs.

Many bridal parties use the deck with the raised platform to share their vows. The adjacent grounds provide beautiful backdrops for your wedding photos.
